

## Full Inspection Report

<b>Member Name</b>	Pinnacle Marquees (UK) Ltd
<b>Inspection Date</b>	18/07/2017
<b>Inspection Location</b>	Leeds Uni
<b>Overall Inspection Score</b>	89%

Member ID:	1031
Member Name:	Pinnacle Marquees (UK) Ltd
Inspection Date:	18/07/2017
Inspection Location:	Leeds Uni

### Scoring:

- 0 = Immediate action required
- 1 = Improvement required
- 2 = Compliant
- 3 = Best Practice

Foreman Name	Andy Wesley	
Item	Score	Comments
<b>Equipment &amp; tools</b>		
Hard Hats	2	
Boots	3	
Hi-vis	3	
Other PPE	3	
First aid kit	3	
Condition of tools	3	
<b>Competence, training &amp; documentation</b>		
First aid trained	3	2 trained first aiders available

Supervision	2	Andy has 17 years experience and has built structures up to 50m in width and multi deck. No NVQ or documented training however.
Competence/Skills cards	3	The full time guys have skills cards.
Licenses	3	Robbie and Tim both have NPORS training
Documentation	2	The revised risk assessments cover most topics and there are method statements for individual frame sizes. Work has been done since the last inspection so well done. A discussion was had about man basket use and documented control measures which should be improved to safeguard the business and provide clear safety instructions to crew.
<b>Working practices</b>		
Identification of services	3	Services were marked by the client and the location of such mentioned in site induction.
Manual handling	2	
<b>Working at height</b>		
Ladder condition	2	The ladders had been marked with an identifying number which relates to an inspection document retained at the office. This was not available to view however and as such no evidence of inspection was available. All were in a good condition however.
<b>General</b>		
Safety attitude	2	

Attitude to inspector	3	
Housekeeping	3	
Welfare	3	University facilities available.

**Comments:**

A really good inspection. Tim, Robbie and Andy are all very experienced and the site also had some good processes in place. The structures being built were a 5x5 chinese hat and a 6m A frame. There have been improvements made from last year which is great and Pinnacle join the list of members who have embraced the process and the resulting score evidences this. Well done
